

Illawarra Shoalhaven Health Education Centre

Course Description

The two-day course held at the Illawarra Shoalhaven Health Education Centre [ISHEC] will focus on developing advanced skills in managing the deteriorating patient and cardiac arrest. Places on the course are limited.

Course Accreditation

The two-day course is accredited by the Australian Resuscitation Council.

Course Outcomes

Upon successful course completion students will receive an ALS course completion card, valid for four years.

- Recognition, assessment and management of the critically ill patient using a structured ABCDE approach.
- Advanced airway management skills
- Basic Life Support
- Defibrillation skills (Manual)
- Cardiac arrest management using the ARC ALS Algorithm
- Treat cardiac and/or respiratory arrest
- Preparing and planning for post resuscitation care.
- Care for the deteriorating patient or patient in cardiac and/or respiratory arrest in special circumstances such as asthma, anaphylaxis, immersion and pregnancy.
- Lead a team, work as a team member, and use structured communication skills including giving an effective handover
