Who should attend:
Accredited Nurse Immunisers and any other Interested Health Care Workers in the COORDINARE catchment area. If you are not from the South Eastern NSW PHN region and you register for a webinar, your registration may be cancelled.

IMPORTANT

As these sessions will be provided via webinar format, certificates will not be provided. Please ensure you record your attendance in your own CPD portfolio.

To maintain authority to immunise, a registered nurse must annually:

review best practice policy for immunisation. This may be, but is not limited to, attendance at updates or seminars on current practices
